INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The applicants submit herewith patents, publications, or other information, of which they are aware that they believe may be material to the examination of the application, and in respect of which, there may be a duty to disclose. The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

Legible copies of all items listed in Form PTO-1449 accompany this information disclosure statement.

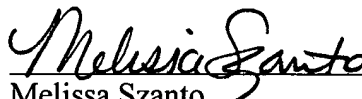

The applicant would also like to bring to the attention of the Examiner the following pending United States patent application:

a. Serial No. 09/704,626 filed on November 2, 2000, titled "System and Method for Processor Bus Termination."

The pending United States patent application identified above is not listed on PTO-1449 so as to avoid having the serial number of a pending application published on any patent issuing from the present application. A copy of the application identified above is included herewith.

The information disclosure statement submitted herewith is being filed before the mailing of the first office action on the merits. Applicants believe that no fee is required. If a fee is required, please charge any fee to Deposit Account No. 02-0383 of Baker Botts L.L.P.

Respectfully submitted,

Melissa Szanto
